

The Children and Youth Council of Thailand

About the Children and Youth Council of Thailand

- The Children and Youth Council of Thailand or CYCT is the largest youth network in Thailand which established by law in 2007
- Now Thailand has 8,780 CYC in all levels with more than 200,000+ members
- CYCT has a key role in representing young people's voices to policy makers

The survey background

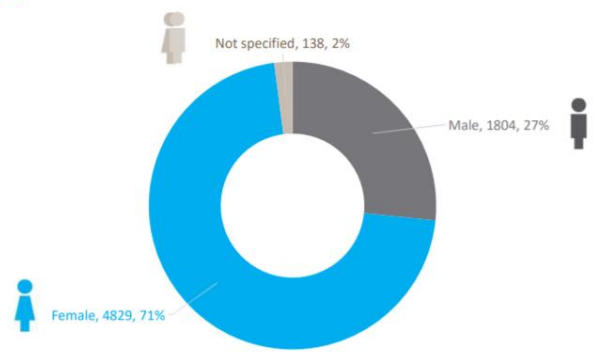

- Led by CYCT and UNICEF; support from UNDP and UNFPA
- Conducted from 28 March to 10 April 2020
- Distributed through networks of 8,870 CYC sub-districts and of UN agencies. Responses received from 6,771 young people
- Objectives • To understand the situation /knowledge/ needs and impact of COVID 19 among young people
- Total 26 questions (choices and open-end)
- Limitation - could not reach those without internet access

Age

IMPACT TO YOUNG PEOPLE ON COVID-19

CONCLUDING THOUGHTS

01

Children are at risk of burnout and need for self-care

02

Highly need on mental health care to be more resilient

03

The rapid survey is a powerful tool for young people to express their concerns

04

Government and schools need to communicate clearly to students about their education plan
