### Online Workshop on Thai UHC Journey

How Thailand Achieved Good Health at Low Cost?, October 25-29, 2021, Via Zoom Program

1. Join an online workshop on time. Keep yourself free from all other assignments or works during the session. Please note that the class will start at 1 PM Thailand's time
2. Dress yourself properly before you get logged in for the class.
3. Mute the microphone unless you are asked to speak. The sound coming from your speaker or from your environment will disturb others.
4. Be presentably attired for the class. Teacher may ask you to switch on your camera
5. Keep the room quiet.
6. Avoid eating during the class time.
7. Treat your speakers and others with respect in email, chat or any other form of direct communication.
8. Use the chat box as a learning tool. You should use it to share your ideas, ask questions or clarify doubts in regard to the topic being discussed in the class.
9. Ask only those questions which you think cannot be answered by your friends or you cannot find the answers from the other sources
10. Be cautious when using humor or sarcasm in chat messages as your message might be taken seriously or sound offensive.
11. Organizers may record the workshop session for future reference. Participants are not allowed to record any part of the workshop by any means.
12. Any misuse of the workshop sessions or modified or unauthorized posting of any part of the workshop sessions in any social media group will be a major offense and will lead to disciplinary action.
13. Please use this opportunity to share your experience on Universal Health Coverage or related issues with an aim of learning together and do the networking.
